North Dakota Furniture Retailer Partners with Illinois Sleep Products for National Launch of New Mattress Line

Harvey North Dakota - Chicago, Illinois

Rod Marchand, President & CEO of Marchand Retail Group, dba Tom's Home Furnishings and Direct Home Furnishings has announced a partnership with Ed Ciolkosz, President and CEO of Illinois Sleep Products (ISP) to manufacture his new line of mattresses under the Accord Comfort Sleep Systems brand.

*"We are very excited to partner with Ed and his team to manufacture and distribute our mattresses. We have developed a total sleep solution for every customer, with our Whisper Breeze, Gentle Night and Our CopperRest Sleep line of mattresses. Our CopperRest line incorporates the best quality core construction, with the health benefits of **copper-infused gel latex**. Ed's decades of experience in manufacturing and distribution is the perfect partner for this endeavor."* stated Marchand.

*"We officially started our manufacturing and distribution today for Rod", Ciolkosz added. "We'll be offering Accord Sleep Solutions product lines to our retailers throughout the Midwest, as well as fulfilling online orders from Accord Sleep's e-commerce website and his Amazon store presence. Rod has developed a complete line of unique mattresses for every consumer's sleep needs and price points, with his innovative three CopperRest lines of copper-infused Gel sets a new standard for cool comfortable sleep solution", added Ciolkosz.*

Suggested retail prices start at \$999.00 for a King Whisper Breeze mattress and \$1,199.00 For a King GentleNight mattress.

CopperRest offers three lines of their copper infused gel mattresses all made here in America. A 9" Silver version King mattress retails at \$1,299.00, an 11" Gold King retails at \$1,599.00.00 and the Platinum 13" King retails at \$1,799.00.

Information on these new product lines can be found at: [www.accordsleep.com](http://www.accordsleep.com).  
Retailer inquiries are welcome.

### **About Accord Comfort Sleep Systems**

Established in 1980 Accord Comfort Sleep Systems is part of The Marchand Retail Group. It is a family owned and operated company, whose success is founded on the premise of doing it right the first time through close attention to detail and using the same standards we would expect for our own families and ourselves.

Marchand Retail Group, Inc. has been operating several retail businesses involved in multiple industries such as, Floor coverings, Appliances and Furniture. Their direct involvement in the manufacturing process, ensures they deliver the very best quality products and back it up with the very best service.
