

Introducing DUO

from Accord Comfort Sleep Systems

.....

DUO simplifies your sleep solution by offering two sleeping choices all in one mattress. **DUO** offers a truly unique sleep experience, allowing your choice of a firm or plush mattress experience. Our **FIRM** side of the mattress provides you with a very supportive and comfortable sleep solution. Our **PLUSH** side of the mattress has a quilted top, providing you with a softer and comfortable sleep solution.

DUO uses Outlast® Fabric on both sides of the mattress. Outlast® technology was originally developed for NASA to protect astronauts from temperature fluctuations in space. Not too hot, not too cold, but "just right" – Outlast® temperature regulating fabrics offer more comfort through proactive heat management.

DUO provides you peace of mind, body and spirit.
